Issue 266 August 2021

*The Community News is an information service from PACDG - the Presteigne Area Community Development Group -
"Working Together For Our Community"*

email news@pacdg.org to contact the Editor

- if you have any questions on what's happening - or not happening - in our community, do let us know and we'll do our best to provide an answer, or at least point you in the right direction - email the Editor
 - **please email if you see or hear of anything that will be of help to other residents, including local area jobs**
 - if you need assistance in any way, email us and we'll pass on your message to people who can help.
- ...AND IF YOU NEED TO CHECK BACK ON PAST ISSUES FOR INFORMATION, YOU CAN SEE THESE (along with lots of other good information) ON THE TOWN WEBSITE www.presteigne.org.uk/calendar

...[ed.] you may have noticed that the large Community Noticeboard on the High Street near to SPAR has been unilaterally taken down by the shopkeeper. We are trying to find another town centre location but in the meantime we ask you to utilise the big noticeboard by the Memorial Hall. Please do not add to the bad feeling by flyposting notices on the wall where the noticeboard used to be - flyposting is unsightly and damages the building timbers. Thank you.

...**from Powys Recycles.** We love that our residents are keen to recycle as much as possible, but please only put the correct materials into the community recycling banks. Contamination often means that the materials are rejected by the recycling processors and sent to landfill. With the card banks, please remember to remove all other packaging [ed. particularly polystyrene beads, moulded packaging and plastic tape]. Please use responsibly, thank you!

THANKS

...**from Maggie** - a big thank you to the Bring Site volunteers for tidying up all the cartons that have been left in, on and around the overflowing ACE recycling bins. People, if any of the bins are full, sorry but you just have to take your stuff away and bring it back when there's room. All these bins are provided by a specialist recycling organisation brought in by volunteers (located at the Bring Site with permission from Powys CC) and if our community carries on leaving it in a mess then PCC may well withdraw permission because they see it as a flytipping mess with hygiene issues, so the recycling bins will be taken away and we'll have to go all the way to Llandod!

[ed. the non-emptying of the bins is because of a chronic shortage of ACE drivers - they should be emptied monthly and we're constantly reminding them of the problem, which is common to all their collection sites at the moment. The situation will be resolved - hopefully by the time you read this but meanwhile, as Maggie says, please be patient, crush/fold-up your cartons and keep them at home until normal collections resume. We do not want to lose this hard-won facility. Thanks !]

...**to John Kendall**, Mayor of Presteigne & Norton Town Council 2011-12, who has so generously donated the lovely new bench now in position on Station Road. Thank you, John !

SCAM ALERT

...from **Dyfed-Powys Police**. Scam Advice. We have been made aware of a current scam targeting retail premises. Businesses who have Paypoint services are being contacted by someone pretending to be a Paypoint engineer who asks them to process vouchers to check that a network has been removed. Businesses are advised to be vigilant for this type of scam and to check the credentials of anyone prior to conducting any activity.

COVID

...from **Powys THB**. Arrangements for the COVID-19 booster programme are currently being developed at a national level. When more details are available, we will share further information through our website at <https://pthb.nhs.wales/coronavirus/covid-19-vaccination/booster/> and through our social media channels. In the meantime, please do not contact your health board or GP practice for a booster vaccination.

...from **Powys THB. First & Second Dose Drop-In Vaccination Clinic** this week. Are you 18+ in Powys - or will you turn 18 by 31 October 2021 - and need your first dose? ...**from Kath. Table top Sale at Walton Hall on Saturday 7th August** 2pm until 5pm. Come and have a cuppa with us!

...**from Roger. The Community Café** - a feature of our Local Food Market - has been unable to serve its customers for far too long. Firstly because no Markets could be held ... then, more recently, Covid-19 restrictions and food safety considerations made it difficult for the Cafe to operate at the open-air Markets at the Memorial Hall on the first Saturday of each month. So

the volunteers have been unable to provide the stallholders with their hard-earned refreshments, nor there to offer hot drinks and delicious home-baked cakes to visitors - and not there to raise money. Until now! The good news is that they plan to be there at the next Local Food Market outside the Memorial Hall during the morning next Saturday, 7th August (weather permitting!) and thereafter. Regular 'customers' know that the Cafe doesn't charge and doesn't keep any profit. Instead it asks for donations and all proceeds are then donated on to local good causes. Since they first 'put the kettle on' in 2013 they have passed on almost £6,000 to charities, much-valued groups and clubs around Presteigne. Please come and say hello and have a drink for a donation. In doing so you will, like them, be helping our community. ... Milk and sugar for you?

...Whitton WI have created three unique wall hangings which are being displayed in the Bleddfa Centre Hall Barn from 5th to 15th August before ultimately adorning the wall off Whitton Community Hall.

...Driving law changes you might have missed during lockdown - What's changing this year? * Stricter rules on smart motorways* 20 mph limit in residential areas for some parts of the UK* Changes to green cards and travel to the EU* Stricter penalties for mobile phone use* Low Emission Zones postponed coming in this year* E10 fuel proposed for this year*? Automated Lane Keeping systems considered 'self-driving' technology*? Green number plates for cars with zero emissions* Speed limiters mandatory in new cars from 2022* More info on 20 mph limit in residential areas. The Welsh government is introducing a new law to limit the speed in all residential areas to 20 mph. This goes hand in hand with their [pavement parking ban](#), which was announced in 2020. Initially the speed limit will launch in eight areas to investigate any unforeseen issues. If it's successful, the Welsh government will roll out the speed limit nationally in 2023. For more information visit GOV.WALES.
