...Presteigne Area Community Refugee response update: a big thank you to everyone who attended the meeting to discuss the refugee crisis and how we can help as a community. About 70 people attended, around 30 of whom say they are thinking of hosting. A large number have also signed up to offer their practical support (from language teaching to 'buddying' with host households). If you weren't able to attend then here's how you can host if you're interested: you'll need to register both with the UK Homes for Ukraine scheme (<https://www.gov.uk/register-interest-homes-ukraine>) and with the charity Reset who are working to match people with individuals / families in need and will carry out safeguarding checks (<https://www.homesforukraine.org.uk/>). The Welsh Government will be able to access information filed on both portals and will also take into account the impact on local communities - schools,

medical care etc. If you'd like a copy of the minutes or would like to add your name to the support list, then email [emma.lilley@btinternet.com](mailto:emma.lilley@btinternet.com). From Lee, Rolly and Emma

## **OTHER INFORMATION**

...**from Debs, Norton Speedwatch.** Thank you for the volunteers that came to the training with Dyfed Powys Police force yesterday afternoon. Road safety has always been very top of my list for personal reasons and a concern I hear on a regular basis is the speed of traffic through the village of Norton & beyond. If you have concerns, would like to keep our communities road safe & can spend a little time doing so as part of our local speed watch group. Please contact myself & I will pass your contact number on to Dyfed Powys Police

...**the Dyfed-Powys Rural crime team report that they are starting to see an increase in calls of livestock worrying.** This time of year ewes and lambs are being turned out in to the fields and are an easy target for escaped and unsupervised dogs. If you are walking your dog in the countryside: Do not allow your dog to enter a field on its own, and keep it under your control at all times. Keep your dog on a lead when crossing through fields that contain livestock. Stick to public rights of way. Ideally we would recommend avoiding entering fields containing livestock, even if a public footpath runs through the field. When at home: Make sure you know where your dog is at all times. Ensure that your property is secure and that your dog cannot escape (day or night). If you know your dog has previously chased or attacked livestock, then take responsible measures to prevent it happening again.

...**from Morrisons, Leominster.** We've now launched soft plastic collection points in all of our stores so you can recycle those hard-to-recycle soft plastics - like confectionery wrappers, pet food pouches and wraps like the ones you find on your grape punnets. Look out for a large trolley on wheels at the front of your store to collect your materials. You can drop your used batteries and ink cartridges in our cardboard bins at the front of the store as well.

...**'67 year old lady seeking accommodation in the centre of Presteigne.** 'Sue is currently living in appalling accommodation in Southampton and is unable to have her (beautiful and very well trained) eight year old collie/labrador cross live with her. She suffers from COPD and is unable to walk far. Do you have a room she could live in, with access to a bathroom and

kitchen? Would you be able to help walk 'Danny' her dog or, maybe, share the walking with someone else? Sue is willing to pay you £450 pcm and is desperately hoping that someone could offer her a home. For fuller details, please contact Jonathan on 01544 260800.

**...is drink costing you more than money? Alcoholics Anonymous can help.** We have been through unprecedented times recently & there are some of us who have found solace in alcohol. If you repeatedly drink more than you intend or want to, or if you get into trouble when you drink, you may be an alcoholic. We are a fellowship of men & women who have lost the ability to control our drinking and have found ourselves in various sorts of trouble as a result of drink. We attempt, most of us successfully, to create a satisfactory life without alcohol. For this we need the help & support of other alcoholics in Alcoholics Anonymous. **AA is available in Presteigne**, there are no fees, we keep no attendance files, you need disclose nothing about yourself and no-one will bother you if you don't want to come back. We are here to help.

Please phone our 24hour Helpline 0800 917 7650 or go to [www.alcoholics-anonymous.org.uk](http://www.alcoholics-anonymous.org.uk)

**...New Radnor Community Broadband. Great news this week.** The funding application has been submitted to Government for approval. The time taken for a decision can vary but as soon as we know the decision an update will be given on our FB. Thanks again to all who registered. Please if you can continue to get people to do so it will make the process quicker and easier when the project moves to the next stage.
