If you have any questions on what's happening - or not happening - in our community, do let us know and we'll do our best to provide an answer, or at least point you in the right direction - simply email <u>pacdg@icloud.com</u> - or collar one of the Steering Committee in the street and tell us what's on your mind. You can also leave a written message at the Library for us - remember to include your name and a contact telephone number ! We're happy to help publicise community and charity activities and events (but only for events in the immediate Presteigne area) - email <u>pacdg@icloud.com</u>

Feel free to pass this on to friends in the area and ask them to let us know their email address so we can add them to the distribution. If you can help spread the word and publicise this on Facebook/Twitter as well that would be brilliant !

JOHN BEDDOES SCHOOL - a message from the headmaster Graeme Harkness...... Students

from Newtown High School's John Beddoes Campus will be celebrating the 451st year of the founding of a school in Presteigne with a special Assembly this Friday in front of an invited audience and led by the Revd Steve Hollingworth of St. Andrew's.

The school was founded in 1565 during the reign of Queen Elizabeth I by John Beddoes, a wealthy wool merchant "to bring up the youth....in virtue, discipline and learning".

The school survived outbreaks of the plague in 1593, 1610 and 1657 but was destroyed by fire in 1681. Education continued in the town and it is believed the school moved to its current site in 1907.

In 2014 John Beddoes School closed and became a campus of Newtown High School, since when examination performance has improved dramatically and is forecast to improve again with this year's results.

During the Assembly students will reflect on the changes to the school during the last 450 years and hear a rendition of the old school song which is rarely performed these days.

In a twist to normal celebrations the school is reaching out to the community with a special display of photographs and memorabilia in the shop window of G.J Bennett's electrical store in the High Street for the next two weeks.
