News from Kate & Rolly from the Dementia Friendship group....during Dementia Awareness Week, the Presteigne Dementia Friends group held two well-attended open events in the town. We have also recently held sessions with specific groups, including Slix Hairdressers, the Doctor's surgery, Girl Guides, Youth Club, the Baptist Church, and both schools. As well as raising awareness, these provide good spaces for folk to meet, share ideas/experiences & learn more about what is happening locally & in Powys. More sessions are booked in with local groups and we appreciate the positive response we have had.

If you have Dementia, or are caring for someone with Dementia, and are interested in joining informal self-help groups, for mutual support in a safe space where you can share your knowledge and concerns with people in a similar situation, please contact Rolly (260766) or Kate (267227).
