*[ed. If readers on the Herefordshire and Shropshire side of the border could keep me updated on important Covid (and other) developments affecting them, that would be appreciated and can be passed on - as a Welsh resident the information I'm getting is mainly from Powys - thank you]*

Trying to find someone to paint your house, do your garden, prune trees, plumbing, picture framing, ceramics repair etc ? We are building up a register of local trades and services and may well be able to point you in the right direction - email [news@pacdg.org](mailto:news@pacdg.org).

...from Powys Highways. n.b. Temporary Road Closure: B4357 at the Whitton end of the Whitton/Knighton road from 22nd to 26th Feb (9am-5pm), for traffic calming works.

...from Circle friends of David West of Caenbrook Meadow who will be buried quietly at Offas Orchard, Gladestry on February 23rd. He and his wife Vi moved here from Stourport 20 years ago. They were stalwart volunteers & supporters of the Old Garage, as the Warehouse was known in its earlier years, helping with sales & sorting. Two of the first day members at the Circle, they remained regular & committed attenders up to the last session at the Youth Centre, celebrating 8yrs in early March 2020. ### COVID

...from Powys THB. **COVID-19: A guide for adults in British Sign Language.** This video explains about the COVID-19 vaccination, who is eligible, and who needs to have the vaccine to protect them from Coronavirus. <https://youtu.be/yqR1T9Xxf8Q>. **Our reserve list for people in Priority Group 5 (people aged 65-69) in the week ending 20 February is currently OPEN** for short notice appointments in Bronllys, Builth Wells or Newtown for people who meet the criteria. You need to complete our form once each week (it opens at 9am every Friday for appointments the following week) <https://pthb.nhs.wales/coronavirus/covid-19-vaccination/age-65-to-69/are-you-able-to-attend-a-mass-vaccination-centre-appointment-at-short-notice/> **The latest PTHB weekly newsletter about progress on COVID-19 vaccination in Powys is now available:** <https://pthb.nhs.wales/coronavirus/covid-19-vaccination/covid-19-vaccination-newsletter/covid-19-vaccination-newsletter-15-february-2021-html-version/>. **Rising COVID-19 cases in Powys.** The number of positive cases of COVID-19 has been rising sharply in Powys in the last week. This has occurred at a time when cases have been falling elsewhere in Wales, ranking Powys as the third highest rate of positive cases of COVID-19 in Wales, and the

highest percentage of tests returning a positive result. This rise in cases has also coincided with the sombre news that over 200 people from Powys have now died following a positive test for coronavirus.

**...from NHS England.** On Monday we started the next phase of our vaccination programme, with people aged 65-69 and the clinically vulnerable now being offered the jab. If you are over 70 and haven't had your first jab yet, speak to your GP, book a slot online, or call 119. <https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/book-coronavirus-vaccination/>

## THANK YOU

**...from Presteigne Fire Station. Well done to our Gaffer!** *[ed. Stuart Weale]* 25 years is an amazing achievement. The dedication and commitment you have shown has been second to none. Thank you!

## SPAM / SCAM WARNINGS

**...from Sal who received (and reported) a phishing text** saying “ NHS: Records show that you are eligible for a Covid-19 relief grant. Please follow the link to calculate your claim [uktaxclaim.xxx.](#)” *[ed. There are so many of these phishing scams it's hard to keep track but, if you get one like this, don't click the link or reply, report to 7726 and delete.]*

**...from Sarah who on Thursday had a scam phone call using Presteigne code and number** trying to get us to go onto computer!! When I cut the call off, immediately received another phone call, again showing a Presteigne code but different number! I normally don't pick up to strange numbers but was caught out by local one! *[ed. We've also had a similar call pretending to come from a Ledbury number - it's really concerning that scammers have the ability to mimic a local number on the call display - has anybody else experienced this ?]*

**...from Don about an email scam....headed: 'Royal Mail Delivery Failed'.** “Please keep your eye out for this. When I copied and paste the item number into Google it came up with a known scam! Stay Safe”. It went something like this: -Hello (my email address) -Your Parcel Number #64702687637123# is on the way -Your Package is stopped at our post -A £2.95 shipping cost have not been paid -If shipping cost is not paid, the package will be returned -Pay Now >> <http://info-royaldelivery-gb.mgifinc.cxx> -Package Information: etc etc *[ed. many variants on this for different courier companies - forward to [report@phishing.gov.uk](mailto:report@phishing.gov.uk)]*

**...from Herefordshire CC & West Mercia Police. Romance Fraud.** Protect yourself and your money by thinking twice about if requests for help are genuine. Criminals will disguise their requests for money by dropping it harmlessly into conversation. They'll appear vulnerable, emotional and in desperate need of your help. Stop and think. It could protect you and your money. #RomanceFraud #Fauxmance <http://actionfraud.police.uk/fauxmance>

**...from Dyfed Powys Police.** Until we break the stigma around reporting **romance fraud**, the true scale of this cruel crime will not be clear. We want everyone to know they can contact us in confidence and we will listen without judgement. <http://orlo.uk/I2MDA>

**...from Colin.** Over the past few days, I've had a number of calls on my mobile, all from different 07768 numbers. **A recording claims to be the National Crime Agency**, saying that my National Insurance card has been involved in fraudulent activity. My NI number will be suspended and I will be arrested if I don't press 1. I suggest you hang up, and call 101 to add the number to the Dyfed-Powys Police *[or West Mercia Police]* list.

**...from Dyfed Powys Police. Received a Facebook Message asking “is that you?”** Do not click on the link. Do not enter your Facebook User ID and password. It's a scam. Facebook users have been receiving a message claiming to have found a video or image with you featured in it. By clicking the link, you'd be taken through a chain of websites that have been designed by scammers to take as many details as possible from you, and in some cases infect your device with adware or other malware. Your details are then in the hands of criminals. More info on fraud and cybercrime >> <http://orlo.uk/JBDGm>

**...from Pete Smith.** Why we are where we are. To the young lady in Presteigne who dropped her face mask this morning which blew off down the road in the wind. When asked if you would me like to chase after it, your reply that “it doesn’t matter, I’ve got another in my bag” was, spectacularly, the wrong answer. Who exactly do you expect is going to pick up your used piece of PPE??

**...from Powys Libraries.** Did you know....? You can order a bag of books from your library. Visit <https://en.powys.gov.uk/libraries>

**...from the Fire Service.** It's very cold....but a reminder to keep your chimney/wood-burner clean. Chimney fires are all too common at this time of year and most are preventable. Regular inspection and cleaning of flues will help prevent fires within chimneys. Here are some top tips for safer chimneys: \* Keep chimneys and flues clean and well maintained by using the services of a registered 'sweep' \* Make sure embers are properly put out before you go to bed \* Always use a fire guard to protect against flying sparks from hot embers

**...from Anna, our PCSO. The theft of dogs** is something you will undoubtedly have seen in the media nationally. We are fortunate that we have not yet had any reports of such crimes locally, it is however important you stay vigilant and follow these tips to keep your dogs safe: \*Never leave your dog alone in a car or outside a shop \*Keep your dog on a lead where possible, otherwise keep them close and ensure they have a good recall \*Ensure your dog is microchipped and is wearing a tag with up to date contact details \*Keep a current photograph and note any distinguishing marks \*Keep garden fences secure to avoid escaping and prevent access \*If your dog is having a litter of puppies be extra vigilant and avoid advertising on social media. Report any suspicious activity relating to the sale, purchase or theft of dogs to Police either online or via 101. For further advice, please contact your local PCSO Anna Bowen on: [anna.bowen@dyfed-powys.pnn.police.uk](mailto:anna.bowen@dyfed-powys.pnn.police.uk)

**...from Presteigne St Andrews Football Club.** After months of the club being in limbo, it has finally been confirmed that the 2020-21 season for the first team has been cancelled. To be fair to the FAW and the various governing bodies, it was only fair they give it every chance, but since the turn of the year it had become glaringly obvious to everyone in local football at our level that the season was not going to happen.
