...from John & Di - missing your Abyssinian cat ? "We have regular visits by a rather nicely marked young Abyssinian cat, which is slim and seems always hungry although that's nothing to go by, and eager to interact with us and our cats, and it seems odd that such a nice cat is wandering loose. It is nervy of us but not frightened, but that's understandable. As cat people it weighs heavily on our conscience to see it possibly in distress and doing nothing about it. We have 3 cats of our own already, but if we did not we would probably adopt this one (or vice versa!!) If it doesn't have an owner, we could capture it and take it to the Cats' Protection for re-homing. We are just outside Stapleton, at the start of the long hill towards Lingen, and near the castle." [ed. If you think the cat is yours contact news@pacdg.org and I'll put you in touch]

THANK YOU

...from Presteigne Fire Station. A massive thank you from us to Dale and Owen for organising Presteigne Wheelbarrow Race 2022 and all the spectators who donated to us on route through the town. We raised almost £350! Fantastic occasion with great community spirit!

...from Debbie and Presteigne Carnival. Thank you to everyone who came yesterday afternoon/evening to Presteigne Carnival. After a 3 year gap it was wonderful to be back. The committee is absolutely delighted with how well it all went, a big part of this being down to all the wonderful volunteers who gave their time (& energy on the inflatables) to help make Carnival day the outstanding success it was. It was lovely to hear from various vendors how lovely a carnival, what friendly people, what polite children, what a fantastic atmosphere, it says so much about our small community. We may be small, but we can still put on a hell of a good show!! We could thank so many - sponsors (including Premier who weren't printed on the schedules) raffle donors, all those who gave their time and services, everyone who entered the fancy dress, Country Fair, Tug of War, we could go on and on over the fantastic support we have received this year. A particularly big Thank you to all our families and friends who have lived the stress and work leading up to the big day - phew, and relax! From me to my committee, thank you, what a team, if there were medals for hard work, perseverance, imagination and dedication, you'd be covered in them! Thank you so so much. Finally thank you to Simon, one of our new committee members, for the photographs - see our FB page!!

We now have enough of our properties having registered an interest so Broadway Broadband have agreed to progress the project to the next stage and submit a funding application to UK Government. We still need more though as ideally we should have a 5% higher registration level - so please if you haven't signed up can you do so - there is no commitment at all at this point. Or if you already have done so then please spread the word !

It's a sponsored post – which means the scammer is paying to get it in front of as many people as possible. [Find out how to identify](#), avoid and report this scam.

...**The latest PayPal email scams.** From 'Confirm your email' to 'Your account has been suspended', these scammers carefully use PayPal's logo, branding and other crafty tactics to try to catch you out. See our [latest evidence](#) and what to watch out for.

Corin brings with him a wealth of experience as a player with Llandrindod Wells and Knighton Town. He also took his first steps into management while at Bryn-y-Castell as he was the assistant manager with The Robins. Corin feels it's an exciting time to be taking over at Llanandras Park given that the club is back in the Mid Wales League where it will feature in the southern division this season. "Presteigne are a club that should be playing at this level so it's good that the committee has opted to take the promotion," said Corin. "I'm delighted Chris Shurmer has agreed to stay on as assistant manager this season as that will give us some continuity which is obviously important as Chris knows our squad well," he added.

...**from Kevin, Evenjobb & Community. Broadway Community Broadband!** I am really pleased to tell you that I heard this afternoon that we have reached the 30% number of registrations needed for the project to continue. This is fantastic news , thanks to everyone who registered an interest The next stages are detailed below for anyone who is interested. The next step will be to get the approval of the Broadway Board and for this we need to wait for a slot in their timetable but hopefully in the next couple of weeks. Assuming the go ahead is given then an application will be prepared for grant funding. The funding application will take a few weeks to prepare and once submitted takes an average of four months for a decision. It

can be more, it can be less! Assuming funding is approved the next steps will be for engineers to survey the existing BT infrastructure and prepare a work plan. Thanks all Kevin

OTHER INFORMATION

...from Powys Recycling. Cartons, often referred to as TetraPaks, can now be recycled through your weekly recycling collections by adding them to your RED recycling box. The types of cartons we can now accept in the kerbside RED recycling boxes are drink cartons such as juices, smoothies and milk, and food cartons, such as soup, tomatoes and pulses. Just give them a quick rinse, squash, and add to your red recycling box. After your recycling has been collected and delivered to the county's waste transfer station, the cartons are separated from the plastics and cans and baled together. These bales are then collected by the

Alliance for Beverage Cartons and the Environment (ACE) UK, who process them at their dedicated reprocessing facility. As a reminder, in the red boxes we can now collect:

- Clean and empty plastic bottles, pots, tubs and trays
- Clean and empty tins, cans, kitchen and bathroom aerosols, foil and metal lids
- Clean and empty food and drink cartons

[ed. - currently you can also recycle these cartons, plus coffee cups and Pringle-type tubes, in the three large wheeled ACE recycling bins at the Bring Site]
