(3) Provisional New Projects for 2023-24: The following projects were agreed for consideration during the budget setting process -

Additions to Christmas Lighting,	Speed Indicator Signs - Norton,
Annual Updating of Website software,	Coronation of King Charles III,
Mayor's Display Board,	Street Cleaning Arrangements.

(4) Circulation of Grant Applications for 2023/24: The Clerk explained that all grant applications for 2023-24, together with the accounts from groups receiving £250 or more were now in the process of being circulated around Members. This would provide background when assessing applications as part of the budget setting in January.

(5) Annual Review of Direct Debits: Members noted and confirmed the direct debits listed.

(6) Bank transfer: The transfer of £185,000.00 from the money manager account to the Treasurer account in order to meet the land purchase costs was confirmed.

(6) Notification of Section 137 Limit for 2023/24: The Clerk explained the S.137 limit and Members noted the new limit was to be £9.93 per elector.

(7) The following receipts were noted:

Website Advertising	£130.00
Presteigne and Norton Community Trust (Dark Sky Monies)	£1537.24
Llais Y Goedwig (for hosting of tree hub)	£500.00

(8) Completion of External Audit: Members were pleased to learn that the full audit had been completed with no comments or issues raised. A full copy of the return had been circulated and received by all.

(9) Registration for Telephone Banking: The Clerk explained that this would make contact with the bank much easier and that a primary user (a current signatory) would need to be registered and she could then be registered as an additional user. This would enable her to more easily handle the regular safeguarding interviews with HSBC and account queries.

## **MIN 4138 PLANNING**

Cllr. Edwards left the room for the duration of the planning application items due to her position on the County Council Planning Committee. Cllr. Baynham took the Chair for these items.

(1) Planning applications: The following planning applications were considered –

22/1920/HH Grid Reference: E:331556 N: 264410 Proposal: Demolition of outside toilet & shower; Construction of rear extension to accommodate disabled shower and toilet, cloakroom, utility room and kitchen extension Site Address: 9 Harper's Lane, Presteigne, LD8 2AN. Resolved no objections be raised.

22/1968/FUL Grid Reference: E:330218 N: 267405 Proposal: Erection of a dwelling, formation of vehicular access, demolition of existing outbuilding and all associated works Site Address: Land Adj. Oxenbrook, Norton, Presteigne, LD8 2EN. Resolved to make the following comments – more details and information to be provided by the applicant on the visibility splay and access; general agreement with the comments made by Highways generally and the need for the upstairs windows, and particularly the balcony, to be sufficient distance away from neighbouring properties to protect their privacy. No further comments.

*Cllr. Baynham left the room for the following item having declared a prejudicial interest.*

Cllr. Owens assumed the Chair for the next item.

22/2057/TRE Grid Ref: E: 331324 N: 264458 Proposal: Tree works application for removal of cypress tree Location: Castle Barn, 40A High Street, Presteigne Powys LD8 2BE. Resolved no objections be raised.

Cllr. Edwards returned to the room.

*Cllr. Baynham returned to the room.*

(2) Planning Decisions: The following decisions were noted -

22/1775/DEM Presteigne CP School: Permitted Development.

22/1347/FUL 9 Harper's Lane, Presteigne: Approval.

22/2205/FUL Ackhill Barn, Presteigne: Approval.

(3) LDP Update: Members noted that the call for candidate sites had now closed and planning officers would be assessing each site for suitability.

(4) Monthly Updates from Dedicated Planning Officer: Members received a verbal report from the Clerk on the first of these calls. The Officer had not been able to discuss individual applications and had also not been able to provide any further information on the listing of Tree Preservation Orders.

(5) Tree Preservation Orders/Interactive Map: Members were still not happy with the information available on the interactive map supplied and Cllr. Poster pointed out that even when a TPO was located on the map there was no detail on the extent of the area covered. The Clerk had asked that the use of the map and TPO information be included on a future briefing to Town and Community Councils.

#### **MIN 4139 HIGHWAYS, HOUSING AND ENVIRONMENT**

(1) Dark Skies/Lighting Application Update: Members noted the information contained in the Clerk's report and that the complete replacement of all of the street-lights in Presteigne should be done by Christmas 2022, finishing with the heritage lights in Broad Street. Further light pollution measurements would need to be taken once this is complete. There would be a need for more community involvement and assistance from Members would ideally be needed with this.

(2) Climate Crisis Update: The following matters were discussed -

Nature Reserve Update: Cllr. Bamford reported that with the land now purchased work was underway to obtain quotes and appoint the various contractors needed to complete the project. Members discussed and agreed the following contractors -

- Wildlife Survey – agreed to proceed as specified in the grant application using a Radnorshire Wildlife Trust recommended expert.
- Tree Purchase: Ordered from Bucknell Nurseries as a local and reputable nursery, to minimise disease risk and ensure saplings adapted and suitable to climate.

*Cllr. Wilding left the room for the duration of the following two items.*

- Pathway – Three quotes requested. Agreed to appoint RB Landscaping to carry out the work.
- Entrance – Three quotes requested. Agreed to appoint RB Landscaping to carry out the work.  
*Cllr. Wilding returned to the room.*
- Tree Survey – Four quotes requested. Two declined to quote due to lack of capacity within the necessary time scales. Agreed to appoint Bosky Trees (B. Rose) as a specialist in historic and parkland trees providing the survey could be undertaken in the first two weeks of January in order to allow time to obtain quotes for any work needed. Should this not be possible then J. Cromar be appointed, again providing the survey could be carried out as above.
- Pond works - deferred to January to allow for more quotes to be requested and the earlier quote to be updated.
- Signage/Gate Design: Cllr. Bamford to obtain a quote for this.

Members were pleased to learn that the grant body had granted an extension of time until the end of June 2023. Community engagement events were being planned and it was hoped that at least some of these would take place in February. The site had been put forward as one of the 'plant a tree for me' sites and had been accepted. Cllr. Bamford had submitted details of the species needed.

Tree Hub Update: Cllr. Bamford reported that a total of 252 trees had been given away and that the intention was to hold just a few sessions at different locations in the February/March period. The Council had been given a £500 lump sum payment for organising the sessions/offsetting costs.

(3) Biodiversity Report: Members reviewed and accepted the updated report.

(4) Email from Ramblers Cymru re 'Paths to well-being': Members agreed to the proposal subject to the local Ramblers having enough volunteers. The Clerk would contact them and would reply to Ramblers Cymru accordingly.

(5) Management of Local Roundabouts: Members noted the update from Caring for God's Acre. Some Members expressed concern at the appearance of the roundabouts, particularly the Greenfield Road one and it was agreed that Cllr. Baynham explore the possibility of obtaining sponsorship for Greenfield Road. The Clerk would get a quote from Caring for God's Acre for the coming year.

#### **MIN 4140      NORTON**

(1) Norton Community Trust Update: Members had all received the most recent newsletter.

(2) Christmas Lights: Lights had been erected at the Church by Cllrs. Wilding and Edwards.

#### **MIN 4141      SITES AND BUILDINGS MATTERS**

(1) Sites and Buildings informal Meeting – Members considered the notes from the informal meeting and agreed the following –

##### **Allotments:**

Agreed to accept the quote for fence works from RB Landscaping. Work to be carried out before the growing season.

Pest control be considered once the fencing had been repaired and made secure. Clerk would renew quotes.

Ongoing rent for plot 36 to remain the same as all other plots.

Plot 36 not to be let to the current micro plot tenant but to be let from the waiting list.

Agreed to continue providing and paying for a green bin for the guerrilla gardeners.

Agreed to re-located the above green bin to the Old School

##### **Meadows:**

Maintenance items considered as included within the notes and acceptance of the quotes provided for the skateboard steps and regular strimming.

Agreed that quote for replacement of rotten posts was expensive and it was felt that this could be more cheaply and easily done. Clerk to ask if a less expensive option could be found.

Agreed no further action re possible alteration of Knighton Road Entrance.

Agree to appoint J. Cromar (as quoted) for the 2023 tree survey.

Agreed to defer the review the retention of the sheds on site until the main January meeting.

Request for land for a community garden: land now found.

Hourly rate offered to the handyman to be increased by £2 per hour from 1<sup>st</sup> April, 2023

Draft Budget for 2023/24 deferred to the January Budget Meeting.

##### **Toilets**

*Cllr. Baynham left the room for the duration of the following item.*

Cleaning contract for 2023/24 and 2024/25 awarded to T. Lloyd-John.

*Cllr. Baynham returned to the room.*

Agreed to not extend the opening season for Wilson Terrace.

Draft Budget for 2023/24 – deferred to January Budget meeting.

(2) Toilets: Nothing further to report.

(3) Allotments: Nothing further to report.

(4) Meadows: The following matters were discussed –

Works to clear path to Withy Beds: Clerk to ask the probation service if this could be included within its work programme. The length of path to cover from the car park gate to the Withy Beds entrance. Also to consider asking the guerrilla gardeners if the probation service could not carry out the work.

Pruning of orchard trees: Cllr. Bamford suggested this could be covered within the nature reserve community consultation monies and the Clerk agreed to ask the previous expert if he would be interested in holding a teaching session.

Purchase of dog bags and additional budget consideration: the Clerk reported that she needed to order more bags but that there were insufficient monies remaining in the budget to ensure a supply until the end of the year. Members agreed to the purchase of a further twenty boxes of bags and approved the spend in excess of the budget allocated.

Hedge Management: Members discussed the current arrangements and options for the future. It was agreed that for the time being the hedge in Eddie's Meadow would be left grow out to the side and just the top would be cut. This could be reviewed as necessary. The remaining hedges on Town Council land would be cut as at present but this would be monitored periodically.

(5) Withy Beds and future management: Cllrs. Baynham, Edwards and the Clerk had met the County Council Officer on site and discussed the various options. The Officer would now speak to the Wildlife Trust to find out it's plans once the current lease came to an end in 2024.

(6) Uneven Surface, Wilson Terrace: Deferred in the absence of Cllr. Firth.

#### **MIN 4142 CORRESPONDENCE AND GENERAL ITEMS**

(1) Town Wifi Update: Some problems remained with the two units to be sited on the Assembly Rooms but it was hoped that these would be sorted out soon. The road sensors to collect parking data as part of a trial had not yet been agreed by Highways and it seemed that it was unlikely that it would be going ahead.

(2) Community Broadband Scheme Update: Cllr Owens reported on the most recent meeting. Funding had still not been approved by UK Government but Broadway was considering proceeding on a commercial basis. A decision on this was due early in the New Year.

(3) Powys Town Investment Plans Initiative: Meeting with consultant to take place on 10<sup>th</sup> January. Informal meeting to be arranged prior to this if possible.

(4) Electoral Administration and Reform White Paper Consultation: No report made.

(5) Grant Awarding Policy: Approved as circulated.

(6) Temporary Closure of East Radnor Leisure Centre: Members were pleased to learn that the three month closure had now been cancelled but were mindful of the forthcoming problems with budgets for 2023/24. It was agreed that the Clerk write to the Portfolio Holder stating the Council was pleased that the closure had been rescinded but that it would wish both the local County Councillors and the Town Council to be consulted going forward.

(7) Attendance of Councillors at Remembrance Sunday Services: Deferred to January due to the absence of Cllr. Abecasis.

(8) Recent emergency event in the Community and Emergency Planning: It was agreed that this was within the remit of the County Council but it was agreed that the Clerk write and ask for a formal debrief from the police, together with details of the protocol for evacuations.

#### **MIN 4143 COUNTY COUNCILLOR REPORTS**

Members reminded to complete the 'Have your Say' consultation online.  
Merry Christmas to all.

**MIN 4144 URGENT BUSINESS INFORMATION** None.

**MIN 4145 ITEMS FOR NEXT AGENDA** None.

#### **MIN 4146 EXCLUSION OF PUBLIC AND PRESS DUE TO THE CONFIDENTIAL NATURE OF THE FOLLOWING BUSINESS ITEMS**

*Due to the confidential nature of the business on this agenda, under the Public Bodies (Admission to Meetings) Act 1960 (3) members of the public will be excluded during discussion of the following items.*

Report from the Staffing Committee meeting held on 19<sup>th</sup> December.

The following items were agreed –

- Annual Appraisal be noted.
- Clerk's hours to be unchanged.
- Payment of Hours worked for Allotments: Arrangements to remain unchanged.
- Additional Day of Annual Leave (part of national pay award) noted.
- Draft Budget Recommendations –  
Annual Salary including employer's pension and national insurance payments £28,100  
Training: to come from existing allocated reserve.
- No additional Staff to be appointed but ad hoc cleaning jobs to be bought in as required.

The meeting closed at 9.46pm.

# PRESTEIGNE AND NORTON TOWN COUNCIL

## CLERK'S REPORT - JANUARY 2023

### 1. INFORMATION –

a) Allotments: Letters have gone out to all tenants reminding them that the tenancy year is drawing to a close and to let me know if they wish to give up their plot. Two have already notified me they will be giving up their plot and I am in the process of re-letting it.

b) Website Advertising: Following an initial letter at the end of November a further reminder was sent out on 4<sup>th</sup> January. Currently there are 17 entries and 10 have renewed at the time of writing. Any non responders will have their advert removed at the end of the month.

b) Monthly Planning Call: This was actually quite useful this month. For those that hadn't heard the application on the old Depot site has been withdrawn. I asked again for a TPO briefing at a future PCC meeting (see below) and also chased up the current enforcement cases in Presteigne.

### 2. PLANNING –

a) Tree Preservation Orders: Further to the discussions on this I have again spoken to the Planning Department and asked that the interactive map (link previously circulated) and in fact the whole TPO process be included within a future PCC briefing to Community Councils. This may help me understand how best to use the map and also it may bring other Community Councils on board with the need for better information to be readily available.

On applying for TPOs there is much information on the gov.uk website –

[Tree Preservation Orders and trees in conservation areas - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/tree-preservation-orders)

There is also a technical advice note issued by Welsh Government –

<https://www.gov.wales/technical-advice-note-tan-10-tree-preservation-orders>

### 3. HIGHWAYS ETC –

a) Welsh Water Update: I'm told the work to obtain the phosphates permit is now complete and Welsh Water hope to have the permit in place by April this year.

b) Fold Farm Footpath: I have chased the Portfolio Holder at PCC and James Evans' Office has also pressed the Minister who has been in touch with PCC and has been told work on DMMOs generally is now re-starting.

### 4. SITES AND BUILDINGS –

a) Sheds on Meadow: As discussed I asked Owen Rimington to take a look at the sheds and he has replied as follows –

'I've been to have a look at the sheds and they look in pretty reasonable shape to me.

However I think they could do with a proper check over to make sure everything is securely fastened and safe and maybe a bit of a spruce ups here and there (try to remove what's left of the posters.) I thought maybe we could do that when the weather is a bit better, maybe mid March?

I think it is a good idea to stay on top of things so I'd like to put a side a day every now and then to do any maintenance the barns and sheds might need doing.

I think, at least at the moment, the sheds are a real asset to Went's Meadow. As far as I can tell, they were used for four separate events last year (Carnival, Ukraine fund raiser, Norton show, Fireworks) and they were incredibly useful.

I also think they might serve as a bit of a sacrificial structure when it comes to vandalism on the meadow. The barn has never been vandalised whereas the sheds have had some very mild vandalism that might have otherwise been done on the barn.'

b) Emptying of Meadow Bins: The present situation is that PCC collect our rubbish (sometimes they empty them, sometimes Nick has to bag up). As budgetary pressures and staff shortages have increased at PCC this is becoming increasingly hard to get done promptly and regularly. This is not an immediate need for change but something to be borne in mind for the future. At present it works on an

informal basis with the TC checking the play area and collecting litter, clearing glass etc in return for the rubbish collection.

c) Dead Tree: This is to be removed by a local publican as discussed at the Sites and Buildings Committee in December.

d) Grass Cutting of Back Field and Tidying of corner areas etc: This was raised at the Committee Meeting and one of the outside representatives is looking into possibilities but Members thoughts/suggestions would be useful.
